

Delivery note DN-88120

Harbour Medical Supplies Ltd

Despatched 13 April 2026

Dear Ms Rossi,

The three items on purchase order PO-4471 left our depot this morning and are with the carrier. The tracking number is JD0002234567 and delivery is expected before 17:00 on Wednesday.

One line was short: we sent two boxes of alcohol wipes rather than four, and the remaining two follow next week at no extra charge.

Yours sincerely,
